Questions and Answers

Section	Page(s)	Reference	Question
1.10	5	“Original Response (Solicitation may be submitted electronically to the following email on or before the established opening date and time: procurement@carkw.com) Adhere to 2-4 requirements below.	Confirm proposal may be submitted only electronically. They have the flexibility to submit their proposal either by sending a hard copy or electronically.
3.1	10/11	“3) Experience with Water Revenue Bonds	In addition to a general discussion about experience with Water Revenue Bonds, is there a preferred period of time on which summaries of transactional experience be based (e.g. In the past _ years)? 5 years
3.1	10/11	“5) Familiarity with and proximity to the CAW service area”	How will CAW score proximity to the CAW service area? This scoring aims to ensure that the selected firm is familiar with the local market and can provide timely and efficient services. The scoring criteria will consider the distance of the respondent's primary office from the CAW service area, with closer proximity being scored more favorably.
3.1	10/11	“5) Familiarity with and proximity to the CAW service area”	Will proposals with subcontractors in the heart of CAW's service area receive full credit for the “proximity to the CAW service area” criteria? Proposals with subcontractors located within the heart of the CAW service area would typically receive full credit for this criterion. The intent is to ensure that the subcontractors' proximity supports effective and efficient service delivery.
